

Learning for Life

in a future focused environment

OUR COMMUNITY ❖ OUR VALUES ❖ OUR ASPIRATIONS ❖ OUR FUTURE

<p>Student learning and success is achieved through quality teaching. A diverse range of experiences is embedded in all key learning areas.</p>	<p>Students engage with the school and wider community in a safe, positive and respectful manner.</p>	<p>There is mutual respect between the school and the community and we work in partnership for the benefit of students.</p>	<p>Teachers and support staff are caring, professional and motivated. They work collaboratively to create and sustain a positive and supportive environment for all learners.</p>
<p><i>This means:</i></p> <ul style="list-style-type: none"> ▪ Learning experiences are inclusive and personalised to: <ul style="list-style-type: none"> - cater for student needs and abilities - address curriculum requirements ▪ Students are collaborative and critical thinkers, who are active, engaged in and reflect on their learning. ▪ Students effectively utilise new technologies to learn, communicate and connect in the classroom and beyond. ▪ Students explore, enhance and expand their skills and interests through a variety of academic, creative, cultural and physical programs. 	<p><i>This means:</i></p> <ul style="list-style-type: none"> ▪ Cultural backgrounds are celebrated and respected. ▪ Students have the skills and resilience to make positive behaviour choices and effectively deal with conflict. ▪ Students are encouraged to develop and have opportunities to display leadership skills. ▪ The school has a student welfare and behaviour policy which rewards positive behaviour and is consistently implemented. ▪ Staff, student, parent and carer actions promote respect, responsibility, fairness and caring. 	<p><i>This means:</i></p> <ul style="list-style-type: none"> ▪ The school community takes pride in the achievements of its students and staff. ▪ There is a range of effective and consistent communication with parents and carers. ▪ The school is a valuable source of information about student learning, progress and achievements for parents and carers. ▪ Parents and carers assist in their child's learning through involvement at home, in the classroom, through the P&C and other school activities. 	<p><i>This means:</i></p> <ul style="list-style-type: none"> ▪ Teachers engage in high quality professional learning that reflects current research, improves practice and ensures student success. ▪ Best practice is collaboratively developed, implemented and shared across the school. ▪ Teachers collegially lead, mentor and support each other. ▪ Students are supported in their learning through positive relationships with teachers and support staff. ▪ Teaching and learning programs reflect current curriculum practices, requirements and technologies. ▪ Leaders inspire, develop, recognise and share best practice.
